

Microchanneling combined with powerful growth factor serums create a new paradigm for advanced scientific skincare and rejuvenation!

The microchanneling system by ProCell Therapies virtually erases wrinkles, improves the appearance of acne and traumatic scars, reduces acne inflammation, and nourishes hair follicles.

Microchanneling with Stem Cell Growth Factors :

- ✓ Naturalistic Approach to Anti-Aging
- ✓ Firm, Tighten & Tone skin
- ✓ Smooth Acne Scars
- ✓ Stimulate Collagen and Elastin Production
- ✓ Promote Cell Turnover
- ✓ NO downtime
- ✓ Amazing Results
